

Coshocton Amateur Radio Association
Meeting Date: 5/5/2021

Attendance: KL7RF, KE8WIP, KC8YXY, KC8PUW, KA8BJA, WN8RGW,
N2AFV

Called to Order: 7:00PM Local

Treasurer Report: KE8WIP Motion to accept KC8PUW 2nd N2AFV

Repeater Report: all working good, .045 still running 5 watts, think mid power of 20
watts an option without harm to the repeater- Rods 440 off the air for some reason

Web Page: Lots on swap and shop, check often. Also remember to send your Radio
brags for posting to KL7RF

Field Day: We will have the equipment, we will be able to set up and run as either a 2A
or 3A with the equipment we have. Now we just need operators!!!! Plus the picnic will
be dinner Saturday 6PM, bring your covered dish or dessert. The meat will be provided,
the grilled chicken that all seem to love plus another meaty surprise. Lunch Saturday will
be hamburgers. Lunch Sunday will be leftovers plus anything else needing cooked. And
for the early risers and arrivers Sunday morning who knows what may be provided for
breakfast. Breakfast will end really early so get there as the sun cracks the night sky open
if you want any.

And certificates will be awarded again this year after 5 contacts for any mode is made
and confirmed, As well as the coveted Trifecta certificate for 5 contacts or more on each
mode. Certificates to be emailed after field day, make sure 2 officers confirm your
contacts and let the secretary know.

Library: NO GO for 2021

ARES: no AA8BN so sad!

Close of Meeting: KL7RF 2nd KC8PUW
