Old Business: We now have the trailer in our possession and awaiting outfitting. AB8SV emailed the Beacon again about updating our advertisement details, but haven't heard anything yet. KE8WIP will try to make contact in person.

New Business: KE8WIP has some items donated from silent key KD8SON, any proceeds from these items will go towards the trailer.

ARES: AA8BN thanks all participants of the SET this past weekend and reminds ARES members to "check-in" on 145.23 for initial information during events and drills. AA8BN is requesting summaries, reports, and feedback from participants and details have been emailed.
